Mr. and Mrs. Henry Childs and daughter of  
Carmel street were called to the city Sunday  
by the death of his sister, Mrs. Bettie Setters.

The Ohio Supreme Court's decision that a  
resident of a dry county may depute his  
neighbor to bring him home a little bottled  
liquor will have the effect of influencing many persons to  
take the broad and generous view that anybody  
who happens to be handy is their neighbor.

**EXCITEMENT  
SPREADING**  
**Many People Going to the  
J. Jas. Wood & Son's  
Drugstore**

While it was known by a few people of  
Maysville that the remedy Root Juice has  
created considerable excitement throughout  
the State by making scores of remarkable  
cures during the past few months, it was not  
supposed so many people from out of town  
were interested, but many from the country  
are helping to swell the crowds that are calling  
at the drugstore to learn of the remarkable  
discovery. A traveling man in the presence of  
a number of home people said: "I wouldn't  
take this whole town for what Root Juice did  
for me. I suffered with my stomach and kid-  
neys for years. I tried everything that I could  
put the least confidence in, but continued to  
grow worse. At times I felt like I had rocks  
in the pit of my stomach. Often gas would  
form in my stomach and bowels and press up  
against my heart so that it would feel like it  
would stop beating. Frequently I would get  
deadly sick and throw up my food. Ofttimes  
there was a raw, burning sensation in the pit  
of my stomach and I was never free from pain  
in my back and limbs. The doctors said the  
pain in the limbs was rheumatic. While at  
Lafayette I heard so much of Root Juice that  
I decided to try it. I bought three bottles and  
by the time it was used I had a good appetite  
and could digest fat pork. I do not believe  
any one enjoys better health than I now enjoy."  
The Root Juice people have hundreds of testi-  
monials of those who have been cured by the  
remedy. It is sold for one dollar a bottle, or  
three bottles for two dollars and a half. The  
great remedy is now being demonstrated at  
J. Jas. Wood & Son's Drugstore.

chased White Sulphur Springs, the famous  
West Virginia resort, which will be opened  
under new management on June 1st.

The price which the Chicago and Northwest-  
ern paid for all the land it acquired in con-  
nection with its new passenger terminal on  
West Madison street in Chicago is \$9,537,590.68.

## WHY THEY FAIL

**MOST PILE REMEDIES MISS THE  
CAUSE OF PILES.**

Disagreeable treatment with ointments or  
suppositories usually fails to cure piles, and  
cutting them off won't remove the cause. Such  
treatment only moderates the outside effects  
of the disease and fails to remedy the inside  
cause. The up-to-date doctors now use internal  
medicine to free the circulation in the lower  
bowel and so remove the disease.

Dr. Leonhardt's Ham-Roid, the first and only  
guaranteed internal pile cure—in the form of  
tablets—cures any kind of piles. Sold by J.  
Jas. Wood & Son, Maysville, Ky. \$1 for a  
large box. Dr. Leonhardt Co., Station B, Buf-  
falo, N. Y.

## Does not Color the Hair

J. C. Ayer & Co., Lowell, Mass.

What to do and when to do it is a strong  
factor in the make-up of a successful man.

Representative Shanklin at Frankfort Mon-  
day introduced a bill to regulate veterinary  
practices in Kentucky.

**DEATHS**  
A telegram was received from Mr. David  
Hitchinger, now in Baltimore, announcing the  
death in that city of his brother-in-law and  
former partner, Mr. Gomerish Blum. Mr. Hitch-  
inger, who went East Sunday, reached Baltimore  
Monday, only an hour and a half after Mr.  
Blum had passed away.

For many years deceased was a resident and  
a highly esteemed business man of Maysville,  
being the senior partner in the clothing house  
of Blum, Herbinger & Co. in the old "Red Corner  
Building," Second and Market streets, now oc-  
cupied by the Farmers' and Traders' Bank. Mr.  
Blum left Maysville a third of a century  
ago to reside in the Monumental City, where he  
made his home with his only son, Dr. Joseph  
Blum, retiring from business on his departure  
from this city. He was 51 years of age. His  
wife preceded him to the grave many years  
ago.

The funeral will take place at Baltimore,  
the time and place not known.

**MRS. LOUISA GISEL.**  
Another of Maysville's venerable and greatly  
beloved pioneer residents, in the person of Mrs.  
Louisa Gisel, passed away last night at 12  
o'clock at her home in the West End, after  
an illness of ten days with infirmi-  
ties of old age, having been preceded to the  
grave by her husband 52 years ago.

Deceased was born in Hesse Castle, Ger-  
many, April 17th, 1822, and came here from  
Pittsburgh, Pa., in 1843, where she had since  
resided, venerated and loved by all who were  
fortunate in the charm of her acquaintance  
and friendship.

She was a great lover of flowers, and her  
home in the spring and summer time was a  
bower of loveliness, and was a place to which  
hundreds paid annual visits to view the beau-  
tiful and the handwork of this good woman.

She leaves an only son, Mr. G. W. Gisel of  
this city, a daughter, Mrs. Elizabeth Heise,  
having died some years ago.  
The funeral will take place tomorrow after-  
noon at 2 o'clock from her late home, with  
services by Dr. John Harbison of the First  
Presbyterian Church, Rev. E. F. Chatham of  
the First M. E. Church, South, and Rev. F. M.  
Harrop of the Third Street M. E. Church.  
Interment in Maysville Cemetery by the side  
of her husband.

## PAROLE FOR BANK THIEF

**Maudlin Sentiment Frees Young  
Scoundrel Who Wrecked Bank  
and Caused Wife's Death**

This shocking dispatch emanates from  
Frankfort:  
"Dan McMath, the former youthful Cashier  
of the Foster State Bank, has been released  
from the Penitentiary on parole. His three  
years would have been up March 15th, and  
upon the application of Representative G. T.  
Reynolds of Bracken the Prison Board paroled  
him. He left at once for home, but will only  
tarry there long enough to tell his relatives  
good-bye, for he is going to a new land, prob-  
ably to Oklahoma, to make his fortune. His  
home-going is occasioned with sadness, for six  
months after he entered the Penitentiary nearly  
three years ago, his faithful wife, who at first  
refused to believe that he had embezzled \$19,000  
of the money belonging to the Foster State  
Bank, died, but he has a two and a half-year-  
old baby which he will take West with him.

"McMath's downfall in the financial world  
was due to the old story of using the Bank's  
money to play the stock markets.

"When he counted up his losses he was  
\$19,000 short. He went at once to the Jailor  
at Brooksville, and made him lock himself up,  
saying if he did not lock him up, then he would  
commit suicide. He was indicted immediately  
and sentenced three years to the Penitentiary."

If you suffer from backache—  
From urinary disorders—  
From any disease of the kidneys,  
Be cured to stay cured.  
Doan's Kidney Pills make lasting cures.  
Maysville people testify.

Here's one case of it:  
M. C. Chisholm, 317 East Second street,  
Maysville, Ky., says:

"The cure which Doan's Kidney Pills effected  
in my case some years ago has been perma-  
nent, and the testimonial I gave in their fa-  
vor still holds good. I was bothered a great  
deal by too frequent passages of the kidneys,  
sometimes, this being especially annoying at night,  
when I was obliged to arise several times.  
Having my attention called to Doan's Kidney  
Pills, I procured a box, at J. J. Wood & Son's  
Drugstore, and had only used them a short time  
when I noticed a marked improvement. They  
soon cured me, and I have learned of several  
instances where they have been used with good  
results."

## Cost of Beauty

**How New York Dames Keep Young**  
Recently a young New York Society  
woman received her monthly bill from a  
downtown beauty parlor. This particu-  
lar bill amounted to fifty-two dollars for the  
month, which was, perhaps, a little lower  
than the average monthly accounts ren-  
dered by this shop. It contained such  
items as Turkish Baths, \$2.00; Water  
Rub, 1.50; Facial Massage, 1.50. The  
attendants at these exclusive "beauty par-  
lors" frequently make as much as ten  
dollars a day in tips. Occasionally some  
"grande dame" in sable extracts a per-  
fumed ten-dollar piece from her gold bag  
and tosses it to Nancy with an air of lofty  
grace. One of these attendants confided  
to a friend in an unguarded moment that  
among the many lotions and beauty re-  
storers used in such establishments, a  
preparation for restoring gray hair was  
most in demand. It is usually charged on  
the bill at five dollars a bottle, under a  
fancy name, but in reality is the same  
formula as HAY'S HAIR HEALTH, which  
retails at all druggists for 50 cents and a  
dollar per bottle, and is manufactured by  
PHILO HAY SPECIALTIES CO., New  
York, N. Y. S. A. HAY'S HAIR  
HEALTH has many imitators, but those  
who have used different preparations  
agree that HAY'S HAIR HEALTH is the  
most effective and safest.

Miss Ethel Thompson, the adopted daughter  
of Mr. and Mrs. George M. Thompson, well  
known in this city, died a few days since  
of typhoid fever at the home of the family at  
Elizabeth, W. Va.

Miss Elizabeth, youngest daughter of Circuit  
Court Clerk James C. Key, who underwent an  
operation Friday morning at Wilson Hospital  
for appendicitis, is reported this morning as  
having had a recovery, and is doing nicely.

## ROOSEVELT WAS PROPHET

**But Taft is the Messiah of a Better  
Era, Says Pastor Hill**

At Detroit, Mich., Rev. John Wesley Hill,  
Pastor of the Metropolitan Tabernacle of New  
York City, a personal friend of both President  
Taft and Theodore Roosevelt, characterized the  
ex-President as only the herald of his policies.  
"Roosevelt was a crusader," he said.  
"Taft is a reformer. Roosevelt entered the  
country with a bugle and heralded the ap-  
proach of a new era. Taft came to consum-  
mate it. The prophet is never the Messiah.  
John the Baptist was not the Redeemer. Roose-  
velt opened the eyes of the country to cor-  
porate graft. Taft will institute the proper  
legislation."

We don't mind looking her waist, looking to see if her white skirts show, and if her hat is on straight; we don't mind pinning up a veil now and then and cleaning the mud off her rubbers, but when it comes to holding one end of a store switch while she braids it, we think she limit has been reached, and it's time for us to assert our independence.

An aching back is instantly relieved by an application of Sloan's Liniment.

### IRON FOR THE BLOOD

Doctors agree that iron is an important element for the blood, and that its deficiency is the cause of anemia, run-down conditions, and a general weakness. The best way to administer iron is in the form of VINOL, which is a combination of two world-famed tonics, the medicinal elements recovered from fresh cod's livers and Tonic Iron. John C. Pecor, Druggist, Maysville, Ky.

### Be aware of (Mistaken) For Catarrh That Contains Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such ailments should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co., Toledo, Ohio, U.S.A.

Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

### Advice to Women A Message From a Famous Beauty Specialist to Women Lacking in Energy and Vitality

Thousands of women vainly attempt to improve their complexions and to remove blackheads, crows' feet and other blemishes, through the use of cosmetics. This treatment fails because the trouble lies far deeper than the skin. They are suffering from impure and impoverished blood. This condition is in many cases due to a catarrhal condition of the whole system which finds its expression in yellow, muddy complexion, dark circled eyes, general weakness of the system, and perhaps most plainly in the weeping of the mucous membranes that is commonly called catarrh.

In fact this whole tendency is, properly speaking, Catarrh. Banish this catarrh, and the complexion will clear as if by magic, eyes will brighten, faces become rosy and shoulders erect. Perfect beauty goes only with perfect health, and perfect health for women can only be obtained through one certain treatment—that which will cure catarrh.

Wm. Swift, New York, the famous beauty specialist known throughout the world and an accepted authority on all relating thereto, states that the one positive and permanent relief for catarrh is Rexall Muc-Tone. Here is her letter:

"I can strongly endorse the claims made for Rexall Muc-Tone as a cure for systemic catarrh. Its tonic effects are remarkable. It builds up the strength and restores vitality. If women who are tired and run down, lacking in energy and vitality, will use Rexall Muc-Tone, they will find as I do its strengthening and healing qualities. Rexall Muc-Tone works through the blood, acting thus upon the mucous cells—the congestion and inflammation of which cause local catarrh. This remedy causes poison to be expelled from the system, and the blood is purified and revitalized. Thus the natural functions of the mucous cells are restored, and the membranes are cleansed and made strong. I know that Rexall Muc-Tone does relieve catarrh. I positively guarantee to refund the money paid me for this remedy in every case where the user is dissatisfied. It is a builder of vigorous health and a creator of good complexion. Price 50 cents and \$1 per bottle. Mail orders filled. It may be obtained only at my store—The Rexall Store, 1205 J. Chenoweth.

## Our Senior Mr. D. Hechinger Started East Sunday Afternoon.

Amongst different instructions he left was one that you should all be interested in. It is patent to every one that reads that there will be a further advance in woollens. We asked the Senior if we should continue selling our best goods at the prices we had been selling them for the past few weeks, which we knew were less than he could again buy them for. "Yes," we were told; "just keep on selling, even if you have to put them down a little lower to get the money for them." It is a very simple question. When the present stock is sold and future purchases cost more, you will just have to sell them for more. Hence, according to these instructions, we will continue to sell our Winter Suits and Overcoats at the prices you see them marked in our windows.

Take advantage of these prices. It will be a money-saver to you. Very truly yours.

CERTAIN persons are perceiving that there is a man behind the smile at Washington.—Albany Journal.

High prices cannot be ascribed to the operations of the new Tariff Law. The increase is quite as appreciable in the cost of articles unaffected by changes in the schedules as in those articles affected by Tariff modifications. Indeed, it is true that things which today pay a smaller Tariff tax than under the Dingley Law have advanced correspondingly in price with things that are additionally taxed.—Washington Post.

HOPKINSVILLE has closed options on lots covering six acres, which will be purchased and donated to the Public School Board for High School purposes. The Maysville City Councilmen can well draw a lesson from Hopkinsville in regard to grounds for school athletics for both girls and boys. Six acres of the Ball Park out on East Second street would be the greatest civic investment ever made by the city of Maysville. A modern school building for the Sixth Ward on the beautiful level grounds of the present so-called Ball Park would go a long way toward improving, beautifying and booming the entire East End. ## Stop Women And Consider

**This Fact**—that in addressing Mrs. Pinkham you are confiding your private ills to a woman—a woman whose experience with women's diseases covers twenty-five years.

The present Mrs. Pinkham, daughter-in-law of Lydia E. Pinkham, was for years under her direction, and has ever since her decease continued to advise women.

Many women suffer in silence and drift along from bad to worse, knowing well that they ought to have immediate assistance, but a natural modesty causes them to shrink from exposing themselves to the questions and probable examinations of even their family physician. Such questioning and examination is unnecessary. Without cost you can consult a woman whose knowledge from actual experience is great.

### MRS. PINKHAM'S STANDING INVITATION:

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham at Lynn, Mass. All letters are received, opened, read and answered by women. A woman can freely talk of her private illness to a woman; thus has been established this confidence between Mrs. Pinkham and the women of America which has never been broken. Never has she published a testimonial or used a letter without the written consent of the writer, and never has the company allowed these confidential letters to get out of their possession, as the hundreds of thousands of them in their files will attest.

Out of the vast volume of experience which Mrs. Pinkham has to draw from, it is more than possible that she has gained the very knowledge needed in your case. She asks nothing in return except your good will, and her advice has helped thousands. Surely any woman, rich or poor, should be glad to take advantage of this generous offer of assistance. Address Mrs. Pinkham, care of Lydia E. Pinkham Medicine Co., Lynn, Mass.
